Muskegon Volunteer
For Dental Care

# Patient/Volunteer Information

- You earn $25 worth of dental care for every hour you volunteer.
- Turn in your volunteer hours in writing to receive credit for them
- There is a $2000 maximum value of dental treatment provided per patient per year.
- You must schedule all dental appointments with the program coordinator in order to use your volunteer hours to pay for treatment.
- You must give 48 hours' (2 business days) notice to change an appointment.
- There is a $35 fee for a missed appointment or an appointment cancelled without 48 hours' notice.
- If you miss two appointments you will be dismissed from program.
- All dental work is donated by local dentists and they **do not receive** compensation of any kind.
