

Dental Professional Volunteer Service Tracking Form

When completed mail to address below or **fax to 231.728.5160**

Name of Volunteer and Credentials	Location where services provided	Date of Service	Patient	Amount of time engaged in volunteer service

Continuing education credits are calculated at a ratio of 1 CEU for each 120 minutes (2 hours) of patient services provided. This calculation applies to all dental professional licensed in Michigan (DDS, RDH, RDA). You may not receive a wage, salary or compensation of any kind for the volunteer service hours you complete to qualify for CEU's.

DDS: may earn a maximum of 20 volunteer hours toward their 60 hour requirement, within each 3 year cycle of licensure.

RDA/RDH: may earn a maximum of 12 volunteer hours toward their 36 hour requirement, within each 3 year cycle.
